

Anthropomorphic Characters

I sometimes think of hallarious moment to laugh. The anthropomorphic characters that behaves like human are featured in comic books. I imagine cute and grotesque charachters can make funny moments.

Once upon a time, one cat tried to create a hierarchy between cats by hissing and growling. They tried to eat fish and don't want to yeild fish to other cat.

One cat got tattoo on its body and resist being submissive to other cat. Then one cat try to subvert power structure that one cat is dominant over other cat.

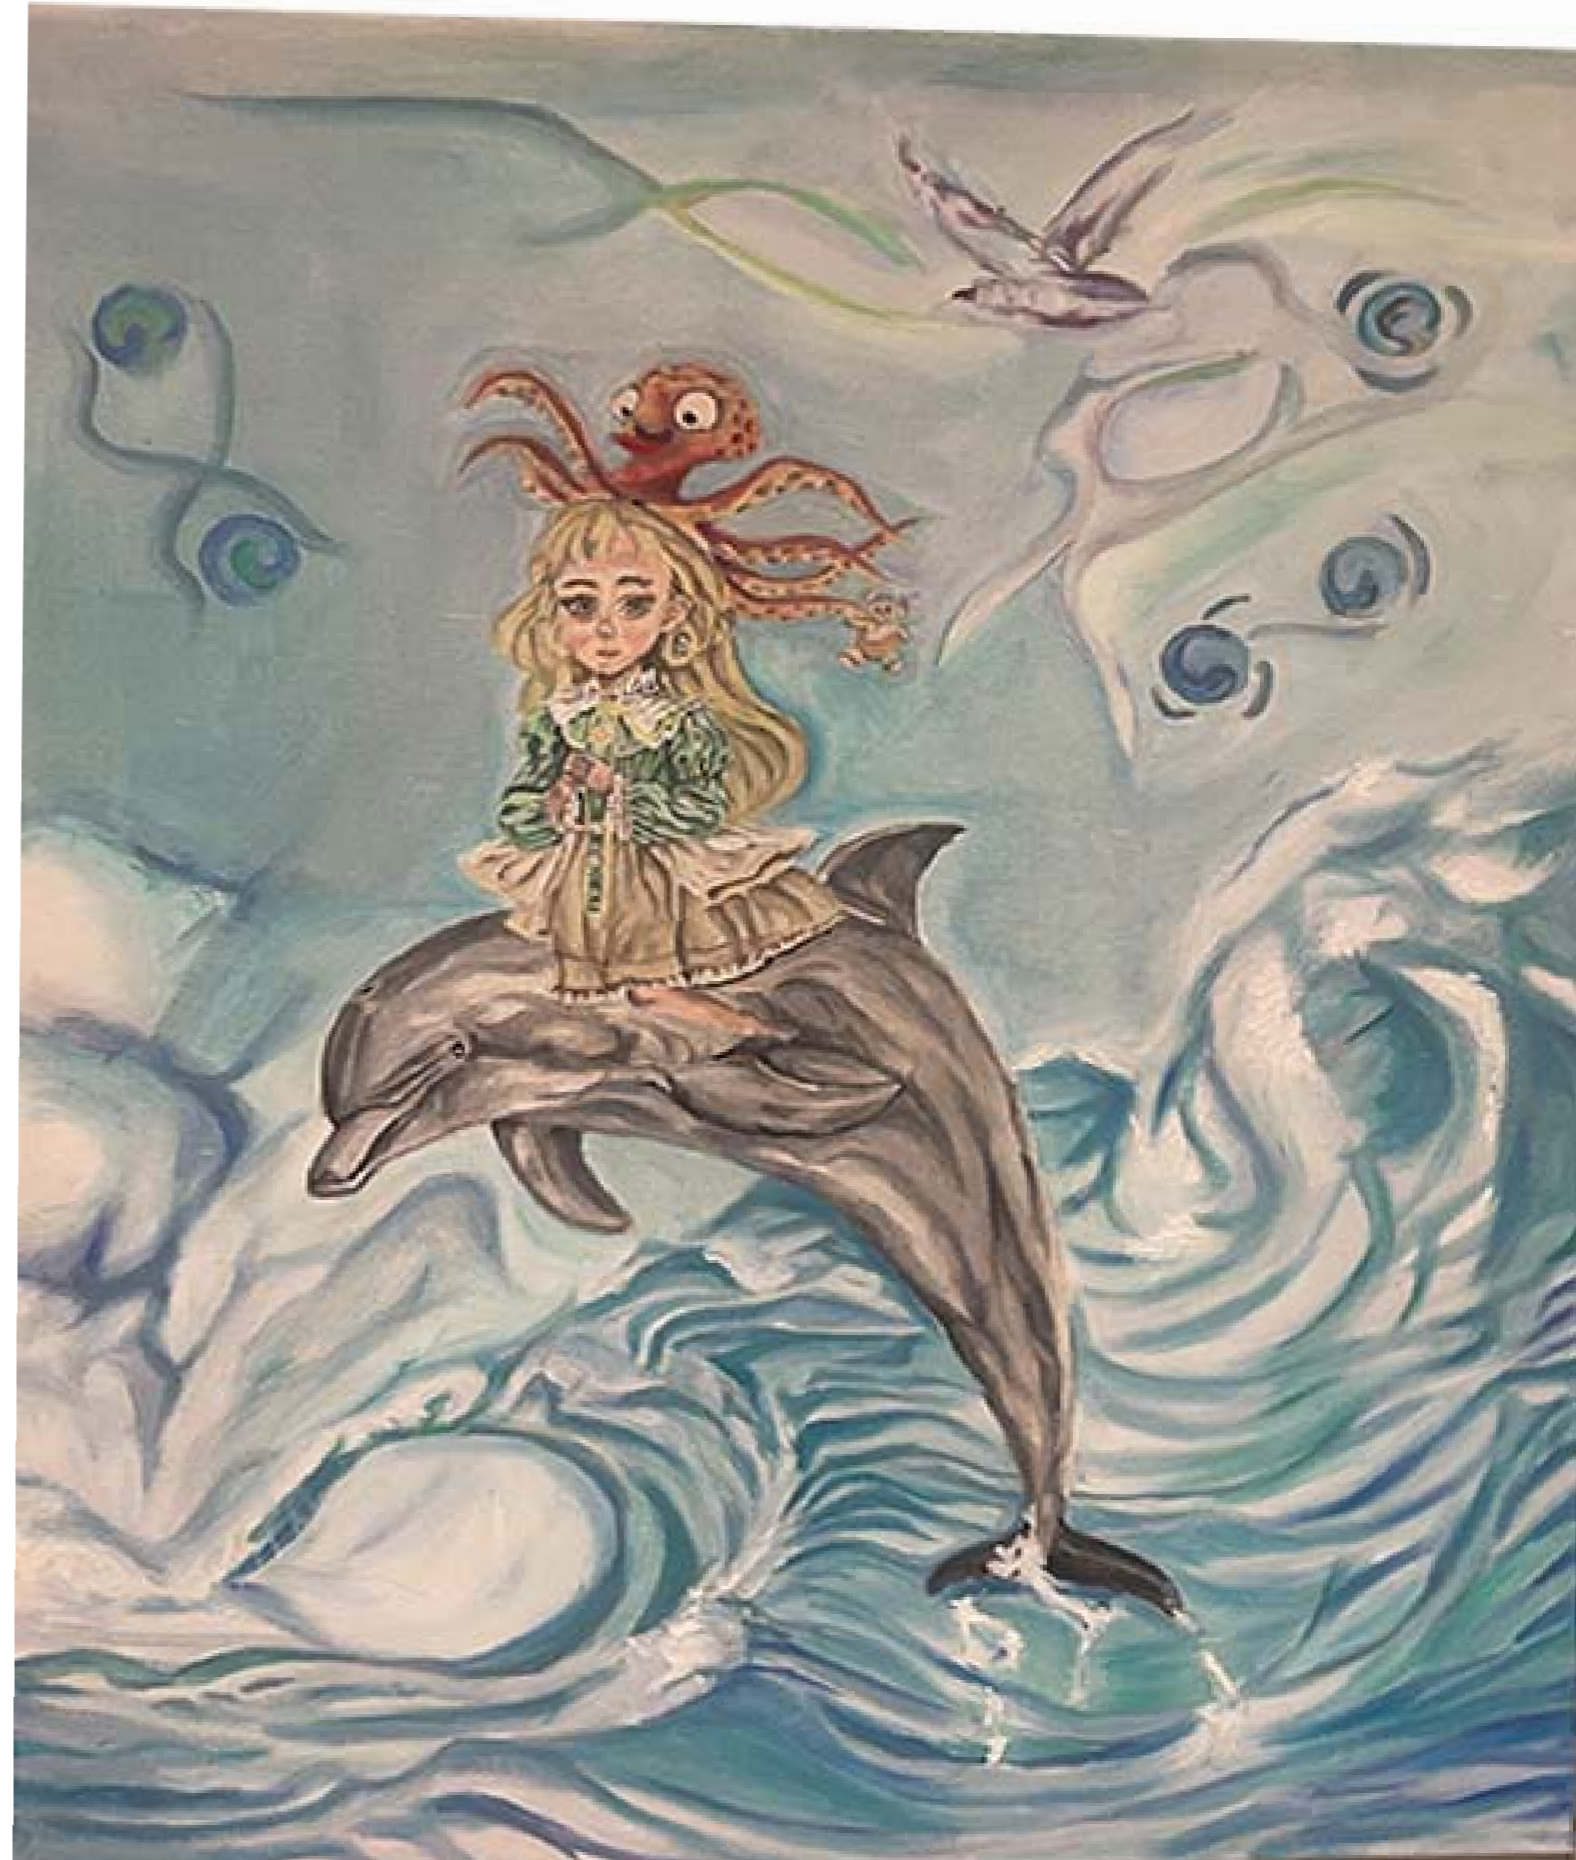

Cats find a way to forgive themselves. They are becoming close each other while riding skateboard. Sports is great way to relieve stress and get socialized without conflict.

Cats turn up to skate spot and get closer while making mistake. Human traits of hierarchy is depicted through cat's social structure.

Some Animals are very friendly with humans and have similar emotion. This girl rides a dolphin on the sea. It represents companion animals.

This ceramic face spit out animals.
